CARL SANDBURG HIGH SCHOOL

CONTRACT FOR LIFE

I recognize that there are many potentially destructive decisions I face every day. Thus, I commit that I will do everything in my power to avoid making decisions that will jeopardize my health and safety. I understand the dangers associated with alcohol and drugs, and the destructive behaviors associated with impairment.

By signing below, I pledge that I will remain alcohol and drug free to, from, and during the dance. I agree that I will neither drive under the influence nor accept a ride from someone who is impaired. Additionally, I agree to dance in an appropriate and tasteful manner.

I also understand that there will be a breathalyzer randomly administered and, if I test "positive", I will not be admitted to the dance. In the event that any of the above rules are violated, I will be asked to leave the dance. My parents will be contacted, all school and civil consequences will apply, and no ticket refunds will be made.
